

Ceramic Camp 2012

DON'T MISS this opportunity to learn from a "Master"! Jon Dean of TimnJon Productions will guide us through seven different techniques that will have you saying "Ahhhh..." He is part of the teaching team at Mayco Colors and teaches privately.

You don't have to be an artist to create something beautiful. All techniques covered can be applied to a variety of other projects. Let us show you how easy it can be!

Highlights

- 7 Projects
- 2 days
- New Techniques
- \$135.00 (includes instruction, glazes and bisque—additional charge for firing)
